### Online will preparation allows you to document your final wishes, including naming:

- A guardian to care for minor children

### Online will preparation is straightforward. With *EstateGuidance*, you can:

- Follow detailed instructions and definitions that guide you through the process.
- Create, save, and print a legally binding will that you can update at any time.
- Make unlimited revisions at no cost.

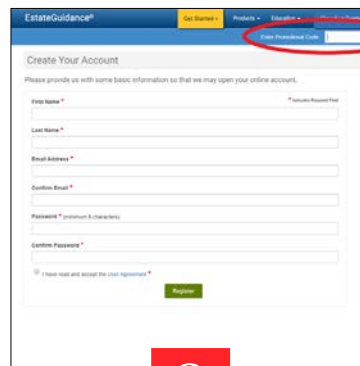

Personal legal forms and documents are stored on a secure server and are only accessible via password.
